

Dear {{!fname}},

I hope this email finds you well. I am reaching out on behalf of the Forestville Education Foundation (FEF) to invite {{!Company name}}, to contribute to our first-ever online fundraiser, "Fund a Project: Campus Enhancement."

FEF is a 501c3 non-profit organization dedicated to supporting enrichment programs at Forestville Unified School District. Our current initiative aims to enhance our school grounds.

Our goal is to raise funds to purchase four redwood picnic tables with attached benches, enhancing our school garden area for outdoor classes and activities. Additionally, we aim to provide seating options by placing four more redwood benches around the perimeter of the outdoor basketball courts at our Middle School that currently offers no seating.

We are launching an online fundraiser on May 1st, running through May 31st, to make this vision a reality. By creating this online platform, we hope to engage our community, friends, family members, and businesses who may not be able to attend our annual Spring Gala fundraising event on May 18<sup>th</sup>.

We are delighted to share that **M4 Specialties** has already shown their support by donating a redwood picnic table with attached benches and a redwood park bench, totaling over \$2,000. Their contribution has inspired us, and we hope to continue building on their generosity.

I am reaching out to invite you to join us in supporting this meaningful cause. Your generosity will make a significant impact on our students' educational experience and environment. We are grateful for any contribution you can make, no matter the size.

By supporting our fundraiser, not only will your donation be tax-deductible, but it will also provide promotional opportunities to your company within our community. We will showcase our donors through social media, newsletters, and our website, reaching a wide audience of parents, students, and local businesses.

Thank you for considering this opportunity.
